

Views of Quartz Hill taken by Bill ZL2OH – 3 May 2003

Quartz Hill buildings, looking towards Mt. Kaukau

Looking southwest towards Tory Channel

View to north towards Kapiti Island

Activity Day, 3 May 2003 – View of rear of building

View towards the east

View towards Karori

Another view to the north, taken from front entrance

View looking northeast

Old diesel hut in foreground, looking northeast

The old original station building; now derelict

Looking to the south from alongside the main building

View to the north from Quartz Hill summit

Western side of Quartz Hill building

Travelling north along access road away from building
