

WELLINGTON AMATEUR RADIO CLUB INC
 NZART Branch 50

QUARTZ HILL USER GROUP
 PO Box 6464, Wellington 6141

Since operations ceased at Quartz Hill in 2007, the group has ascertained that it will not be possible to operate successfully from the site because of severe radio frequency interference from the turbine installations and their associated equipment. Consequently we have been busy recovering equipment and planning the removal of all club and user group assets from the site, by June 2010.. While we are actively investigating alternative sites we have continuing expenses such as removal and storage of our assets, disposal of unwanted gear and rubbish and continuing our QSL operation.

We believe our members and others will wish to assist in financing these immediate tasks. The Committee has decided to make a reduction in the formal subscriptions to \$10.00 for the current year, although additional donations are always welcome. Quartz Hill User Group is part of Wellington Amateur Club Inc, NZART Branch 50. Members who wish to make both payments at the same time, in one envelope, are welcome to do so. All payments to the group are tax deductible.
